Dear Berean Baptist Church,

We acknowledge the importance of raising children in the nurture of a Christ-centered home, including being part of a church that teaches Godly values. We also acknowledge the evangelistic potential in adoption, drawing a child from a culture where the opportunity to hear of our Savior Jesus Christ is very remote.

We therefore offer this \$ 0,000.00 contribution to Berean Church, for distribution through the adoption ministry "His Kids Ministry".

- We agree to allow distribution of these funds prior to placement of the child with a family if agency expenses by the family have been incurred.
- We desire that these funds not be distributed until placement of the child with a family.

Sincerely,

Please submit to:

His Kid's Ministry - Grant Program @ Berean Baptist Ch. 309 E. Co. Rd. #42, Burnsville, MN 55306

*Should a contributor identify a specific party as the possible beneficiary by request, Berean Baptist Church hereby states that funds can only be accepted on an **unrestricted basis**, and that the Elders of Berean Baptist Church through His Kids Ministry are then charged with the responsibility of determining the ultimate utilization of these funds.*

We see _____ & _____ as a Christ-centered couple & are aware of their desire to become Godly parents (again) intending to adopt a (boy or girl) through _____ agency. We are aware that His Kids Ministry is aware of other similar couples in the process of adopting. Based on what we know of the family's financial condition, we would like to suggest that the Berean Baptist Church consider them, or one of the other couples, for a possible monetary grant.

Sincerely,
